Exhibition Interpreter Application—3

_____ Experience or skills with special populations, including persons with disabilities, diverse ethnic or cultural groups, particular age groups, etc. Be specific; cite any certificates or licenses that you hold.

The Jordan Schnitzer Museum of Art at the University of Oregon operates a variety of programs for the public and many visitors are children. It also houses valuable artwork. Have you had any past experiences, or is there anything else, that would limit your ability to work in this environment? Yes No
If yes, please explain.

Have you ever been convicted of a crime or misdemeanor involving minors in any way or that would affect your qualifications to work at the museum? Yes No

If yes, please describe the crime, when and where it occurred and the punishment

Professional reference (co-worker, fellow volunteer, supervisor, teacher, etc.):

Name _____

Day Phone _____

Relationship to you _____

Getting to Know You:

Please answer each question in a paragraph or two.

(Use additional pages as necessary. Number and put your name on each page.)

1. Please explain why you would like to be an Exhibition Interpreter at the Jordan Schnitzer Museum of Art. What most attracts you to this work, and what special qualities would you bring to this job?
2. Children make up more than half of the tours that Exhibition Interpreter lead. Tell us about your most rewarding experience with children.

Exhibition Interpreter Application—4

3. Of the various paid positions or volunteer roles you have held, which gave you the most satisfaction and why.

4. What else should we know about you? What special strengths and weaknesses would be relevant to your work as an Exhibition Interpreter?

Scenario

5. Answer a **or** b:

- a. Imagine that you are about to take an adult friend on a visit to the museum. Please select four works of art that you would show your friend as part of your tour.

- 1)
- 2)
- 3)
- 4)

Next, tell why you selected these four pieces of art and how you would link them together for an interpretive tour.

- b. Imagine that you are taking a 4th-grade friend or relative to the museum. Pick any piece of art as an example and tell us how you would discuss it. What would be your approach to discussing this piece? What elements would you emphasize?
