Instructor: Sara McDonough

Description: Everyone has creative potential – often untapped and underappreciated. In this process-oriented workshop, art therapist Sara McDonough, LMFT, ATR-BC will provide opportunities for you to express yourself and explore your creativity without expectations. The workshop is designed for the beginner, experienced and in-between. A wide variety of art media will be available and various methods of expression will be utilized including drawing, collage and painting. All supplies are included. Come and enjoy the process of creating from the inside out!
