Create artwork utilizing sustainable and recyclable materials! Students will find connections between art and nature at the Jordan Schnitzer Museum of Art. This series of eight classes is great for all levels and will introduce young artists to a variety of materials, techniques and styles of art. We will set up a carpool/walking group so that transportation to the museum does not prevent students from signing up for class. Parents/guardians are responsible for pick up at the museum.

SESSION: Thursdays, April 9-June 4, 3:00pm–4:30pm (No class on April 16)
