School Tours
Experience highlights of the museum’s collection and special exhibitions with a tour led by a specially trained Exhibition Interpreter (guide). Tours are targeted to the students’ grade level. A small guide-to-student ratio and an inquiry-based approach called Visual Thinking Strategies encourage the exchange of ideas between students and the guide. Guided tours also incorporate multisensory exploration of the works of art in the galleries.

For students in grades 3–12, writing and drawing activities may be integrated into the tour.
