School Tours
Experience highlights of the museum’s collection and special exhibitions with a tour led by a specially trained Exhibition Interpreter (guide). Tours are targeted to the students’ grade level. A small guide-to-student ratio and an inquiry-based approach called Visual Thinking Strategies encourages the exchange of ideas between students and the guide. Guided tours also incorporate multisensory exploration of the works of art in the galleries. Using the Common Core Standards as a foundation, tours are designed to build critical thinking skills while exploring the museum collection. For students in grades 3–12, writing and drawing activities may be integrated into the tour. Tours view art throughout the museum, including the following special exhibitions:

First Folio! The Book that Gave Us Shakespeare January 6 – February 7, 2016

From the Heart: The Photographs of Brian Lanker January 23 – April 24, 2016

ArtAccess (K–12)
An accessible inquiry-based tour and studio art activity for students with developmental, emotional, and physical disabilities. This program is free and includes a bus scholarship, thanks to a generous grant from the John F. Kennedy Center for the Performing Arts.

Add an optional studio art activity
Led by an art educator, studio activities provide a hands-on opportunity to further explore themes and images from the tour.

Timing
Tours are available Wednesday, Thursday, and Friday mornings at 9:15, 10:15, and 11:15, and are approximately forty-five minutes in length. Studio activities are an additional forty-five minutes. Additional tour times may be accommodated by request with advance notice.
