Symbolism and Representation

# Animals in Art

Questions to think about:

- How are animals represented in art?
- Are they real or mythical?
- Do they have fins, fur, or feathers?
- Can you see the animals easily or do you have to take a “good look” in order to find them?
- How do people or different cultures interact with animals in the artwork?

# China

Dragons represent protection from evil

# Japan

Cranes represent honor, good fortune and longevity.

# Korea

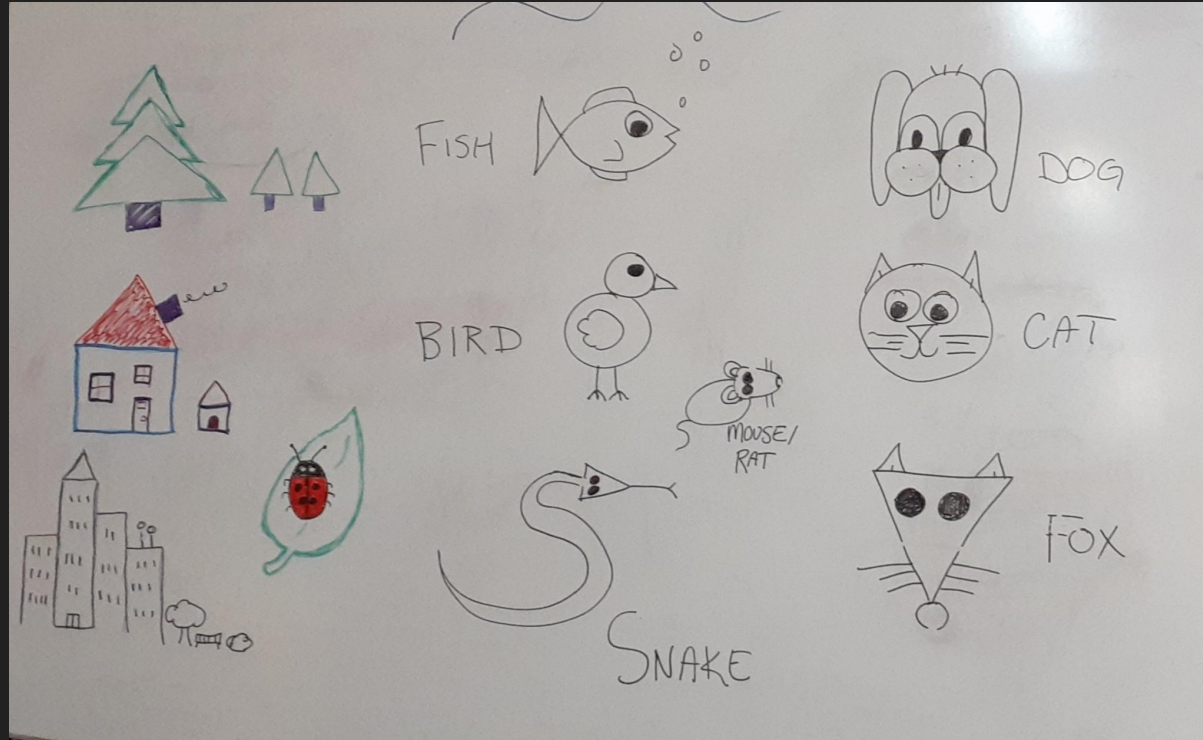

Tigers represent protection from evil and Magpies represent good luck
