JORDAN SCHNITZER MUSEUM OF ART

# The Jordan Schnitzer Museum of Art invites submissions for the 11th annual *NewArt Northwest Kids* exhibition.

Teachers of public, private, and home school students in grades K–12 may submit work for consideration in this show of student art.

## About the exhibition

This year's theme, **Nature and Art**, explores how the natural world inspires art creation. The artwork may be in many forms, including painting, photography, prints, digital art, illustration, and collage. Creative writing may also be added. Students are required to answer the questions posed in the entry form to provide context about their work. Please note that 3D work cannot be considered at this time. The theme can be connected to Common Core subject areas of history, social studies, science, and language arts. Students whose work is selected will receive a free sketchbook. All entrants will receive a free family guest pass to the Jordan Schnitzer Museum of Art. See <http://jsma.uoregon.edu/> for more activity ideas responding to the theme.

**The NewArt Northwest Kids exhibition will be on view May 19 - September 23, 2018. Student artists will be honored at an opening reception on Saturday, May 19, at 11:00 a.m., followed by a free Family Day.**

## How to participate

Teachers are asked to select a limited number of student works to submit—one entry per student, please. Museum staff will select a maximum of fifty pieces for the show.

## Submissions must adhere to the following guidelines:

- Artwork must have been created within the past year.
- Two-dimensional work only, unmattd and unframed.
- Maximum size: 12 inches x 16 inches.
- Submissions must include a fully completed entry form and be received by April 13, 2018.
- Submitted works must be picked up from the museum in person by October 10, 2018; student artwork will not be returned by mail. Unclaimed artwork will become the property of the museum.

*The Jordan Schnitzer Museum of Art reserves the right to reproduce, publish, and exhibit any selected entry.*
