Personal Pagoda Art Activity:

(*Do not print documents back-to-back)

Activity -

Each student will complete a personal pagoda by decorating a template with color, text, and symbols

Objectives -

Students will be able to express elements of their identity through symbols

Material -

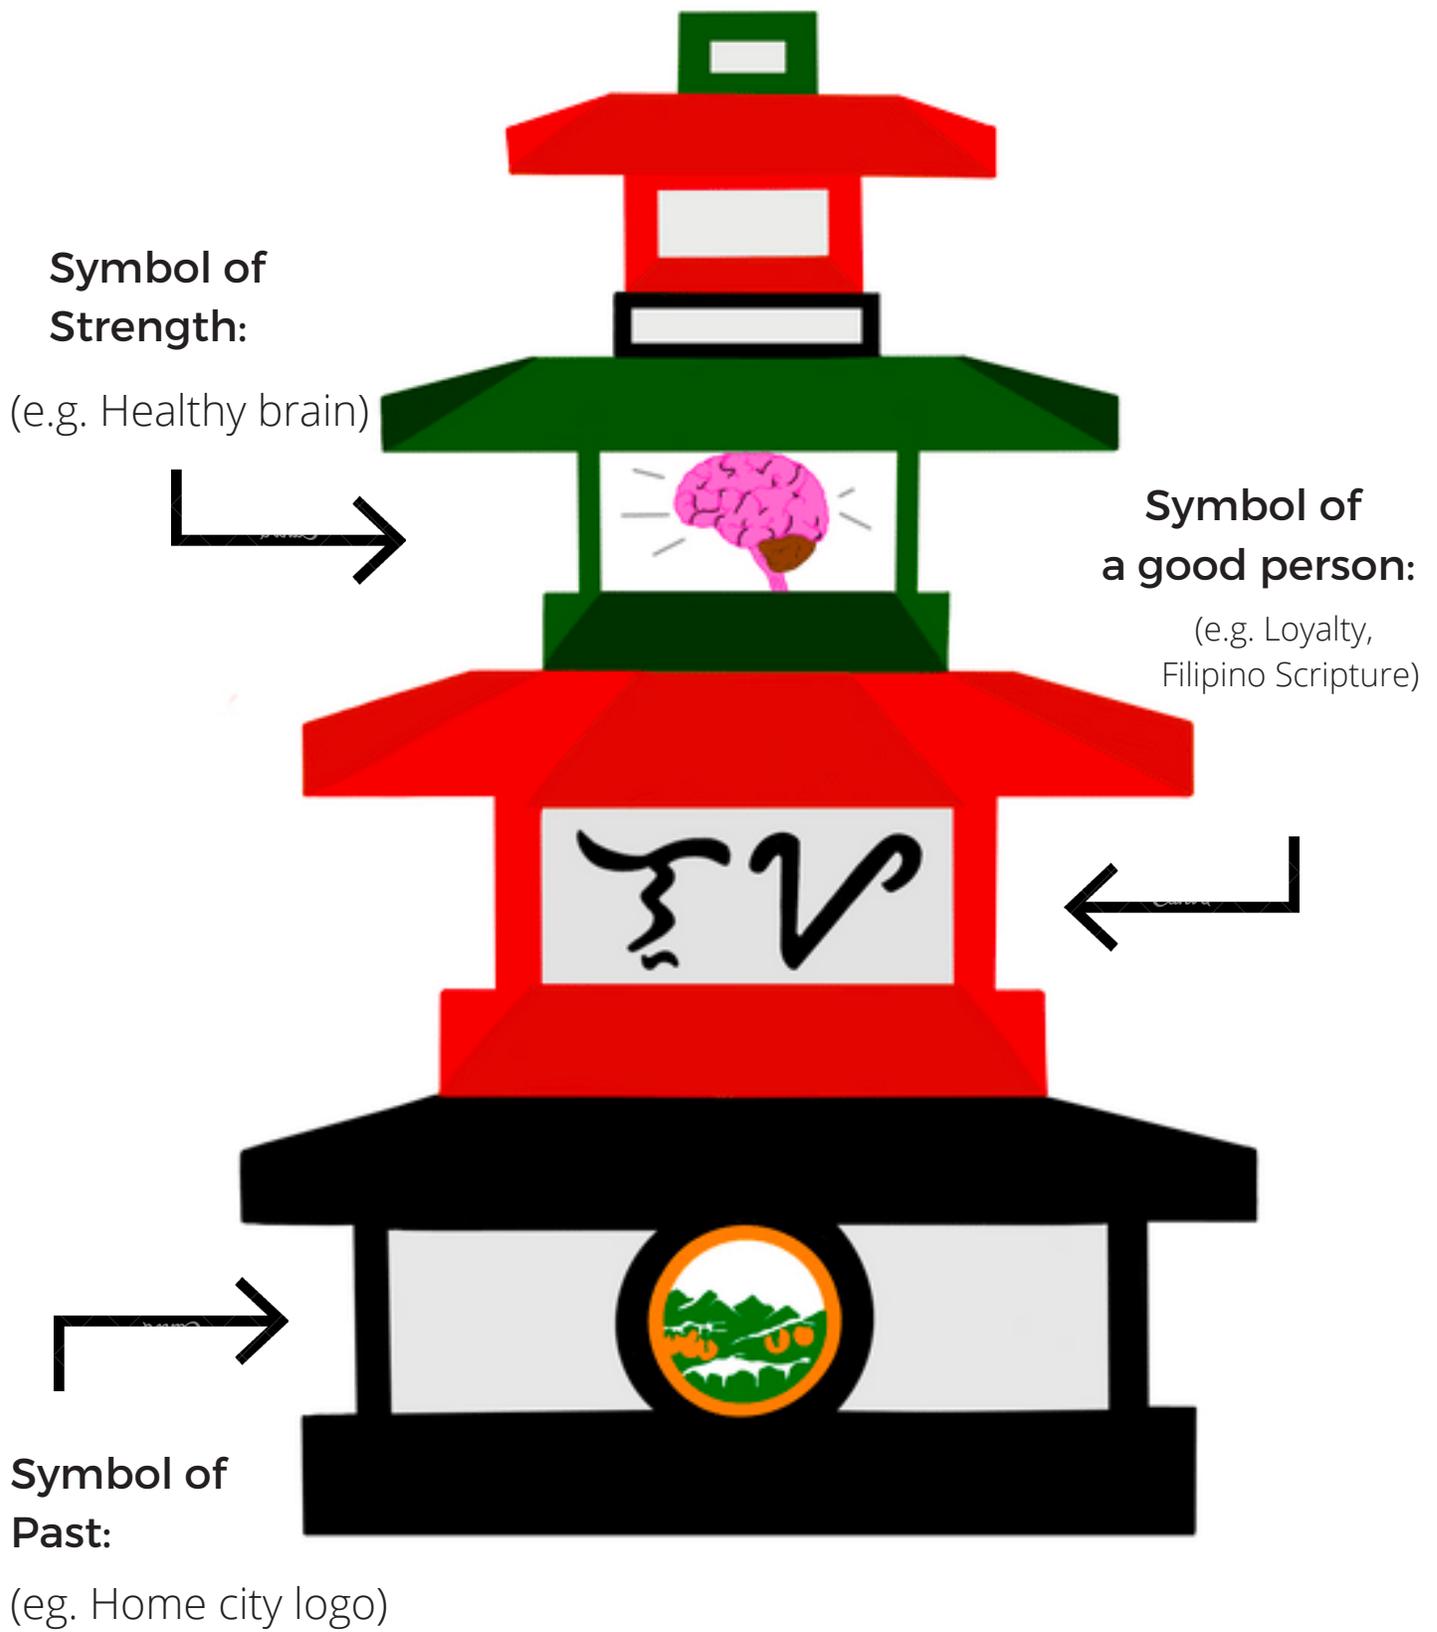

- Printer paper (8.5" x 11")
- Cutting Utensils:
(e.g. Scissors or Exato knife)
- Drawing utensils:
(eg. Pencil, Colored Pencils, Colored Markers, Water Color)
- Adhesive material:
(eg. Glue Stick or Traditional Glue Bottle)

Instructions:

Part I -

- Your personal pagoda is to be created and viewed from **bottom to top**.
- Each level of your pagoda is to be created one at a time or "step-by-step." Use the statements below to help you create your pagoda:
 - **Bottom level: A symbol that represents your past**
 - **Middle level: A symbol you believe represents a good person**
 - **Top level: A symbol you believe represents strength**
- Use the example on the next page as a reference to help spark your imagination

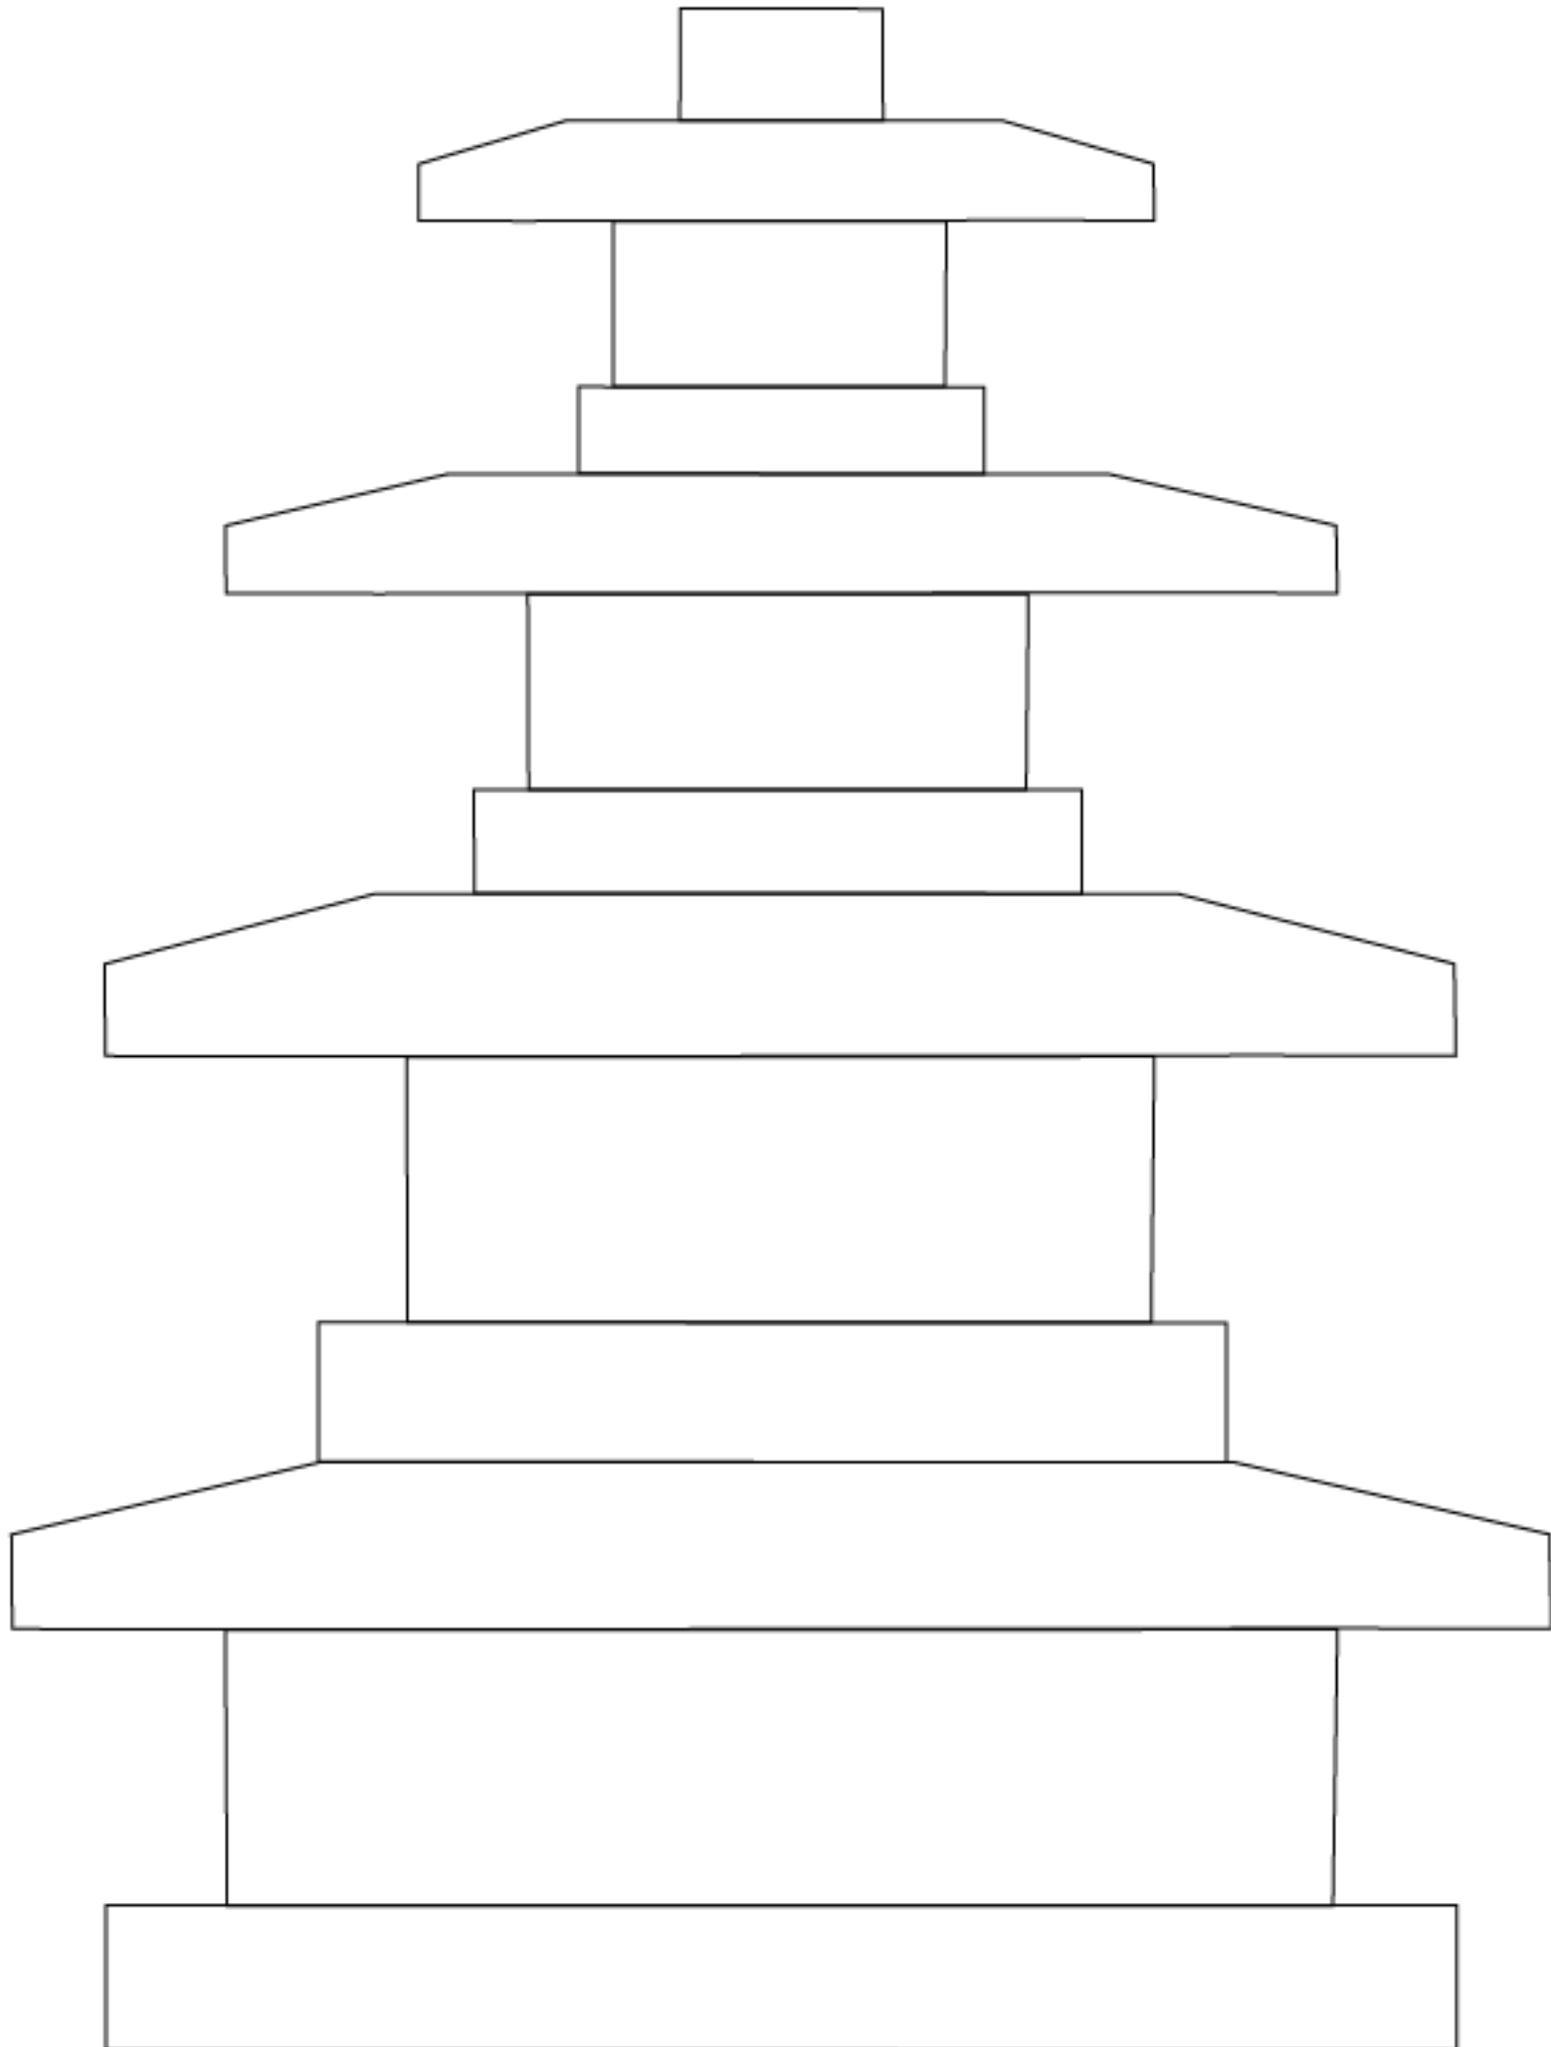

Instructions:

Part II -

- Use the blank template on the next page
- Grab your drawing utensils and begin to decorate your personal pagoda

Instructions:

Part III -

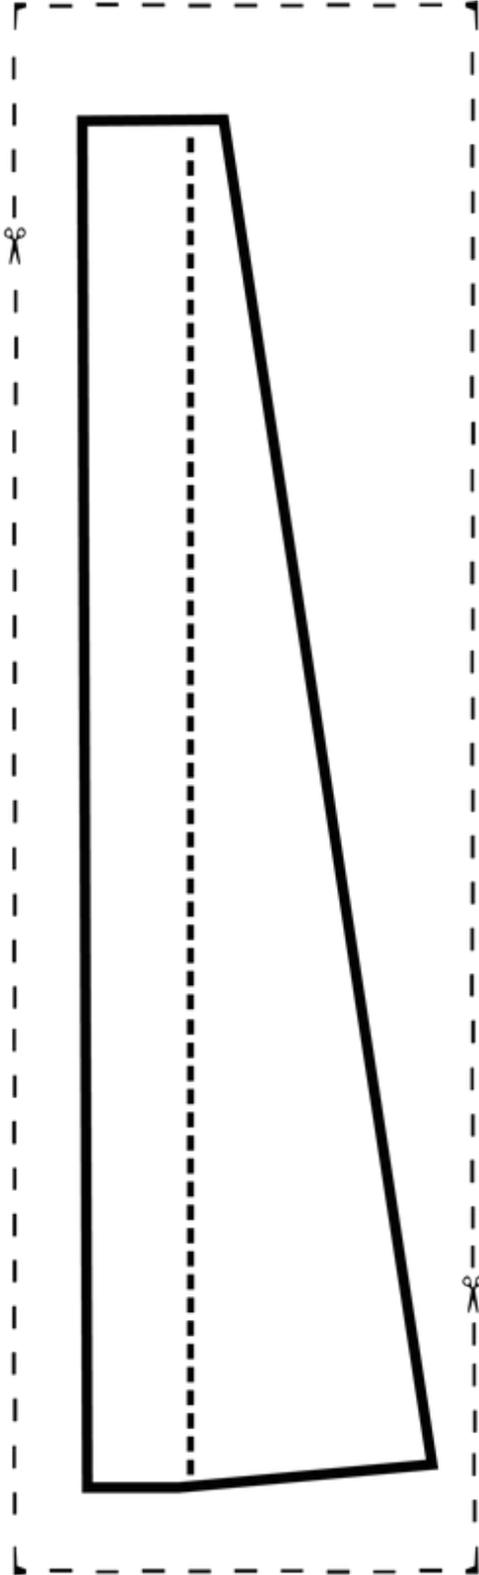

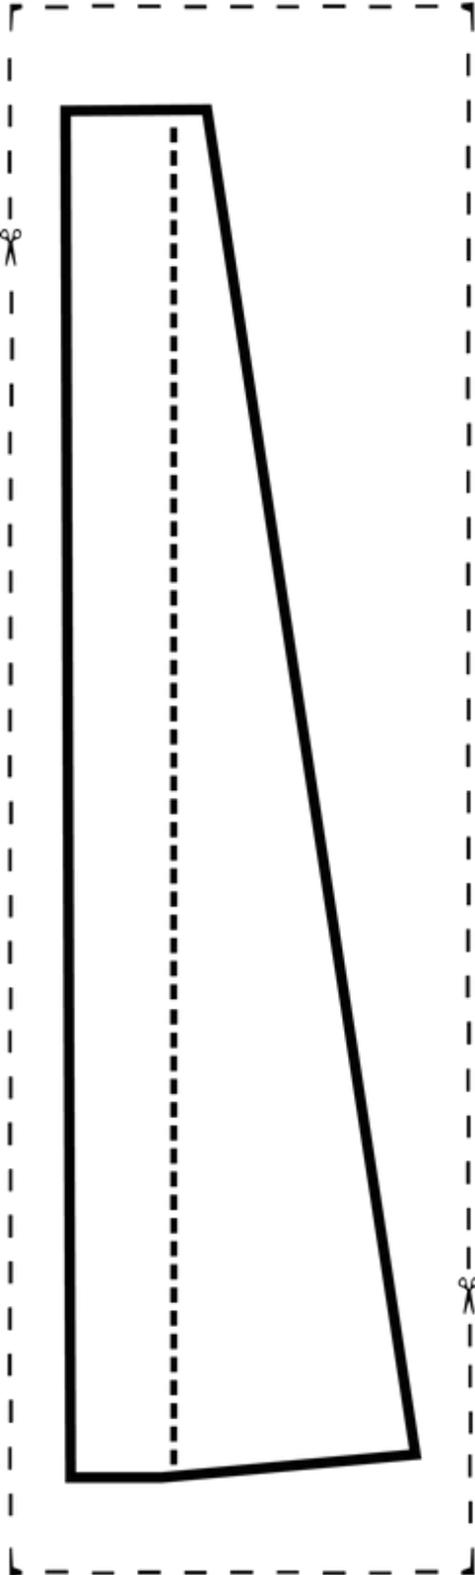

- **Carefully cut out your pagoda**
- Finalize your newly created personal pagoda by cutting out and attaching the supports on the next page. Attach both supports directly to the back of your pagoda

or

- **Decorate the entire template by adding a landscape or environment of your choice outside the entire pagoda**
- Finalize your newly created personal pagoda by attaching its supports directly to the back.

***Supports are on the following page**

- Finally, you have successfully completed your very own personal pagoda.

Thank you for participating,
great work!
